No action shall be taken under this section to abate a public nuisance unless the officer shall have inspected or caused to be inspected the premises where the nuisance is alleged to exist and have satisfied himself that a nuisance does, in fact, exist.

(2) Summary Abatement

(a) Notice to Owner. If the inspecting officer shall determine that a public nuisance exists within the Town and that there is great and immediate danger to the public health, safety, peace, morals or decency, the Town

Chairperson shall serve notice on the person causing, permitting or maintaining such nuisance or upon the owner or occupant of the premises where such nuisance is caused, permitted or maintained and to post a copy of said notice on the premises. Such notice shall direct the person causing, permitting or maintaining such nuisance or the owner or occupant of the premises to abate or remove such nuisance within twenty four (24) hours and shall state that unless such nuisance is so abated, the Town shall cause the same to be abated and will charge the cost thereof to the owner, occupant or person causing, permitting or maintaining the nuisance, as the case may be.

If such nuisance is not removed within ten (10) days, he shall report such fact to the Town Chairperson, who may direct the Town Attorney to commence an action in Circuit Court for the abatement of the nuisance.

(4) Other Methods Not Excluded. Nothing in this Section shall be construed as prohibiting the abatement of public nuisances by the Town or its officials in accordance with the laws of the State, nor as prohibiting an action to be commenced in the Circuit Court seeking a forfeiture as provided in Section 9.01(I) of this Section.

(5) Cost of Abatement. In addition to any other penalty imposed by this Section for the erection, contrivance, creation, continuance or maintenance of a public nuisance, the cost of abating a public nuisance by the Town shall be collected as a debt from the owner, occupant or person causing, permitting or maintaining the nuisance, and if notice to abate the nuisance has been given to the owner, such cost shall be assessed against the real estate as a special charge.
